Year 9 enjoyed an excellent trip to see the permanent collection at the Veletržní Palác, with a particular focus on Picasso, Braque, and Czech cubists as inspirations for our current topic on Picasso and Distortion. Riverside students had the fantastic opportunity to observe and draw from original artworks - lots of their work was outstanding! We are fortunate that the gallery has a significant collection, with some important Picasso works which we could study in detail. Students also had time to research cubist furniture and architecture as well. It was a great afternoon and Year 9 left with lots of ideas. Well done to our students for representing the school so well.

The Riverside Junior High participated at the annual football festival hosted by the International School of Prague this weekend. The teams had great success with many goals scored and few conceded! Two Riverside teams were entered with one of them winning all of their matches. Great fun was had by all. The effort and commitment shown by the students was a credit to the Riverside community.

### The Target Kilimanjaro Team Training weekend in the Alps

The Target Kilimanjaro Team had a fantastic training weekend trekking in the Austrian Alps. Well done to Mark, Mirek and Mr Falk for surviving and almost keeping up with Mrs Muller who fearlessly and effortlessly led the team on three grueling hikes! The adventurers tackle Mount Kilimanjaro - the highest free-standing mountain in the world - in 3 weeks time!

### Golf Challenge

FORE! and "Oh no" were common expressions at the Student-Staff Golf Challenge. Unless you were Mr Myers who aced every hole. On Sunday six students and six teachers set off for Lázně Kynžvart for a drizzly golf competition. Students took an early lead with confident tee-offs from the first. The teachers dug-in and turned the match in their favour. Tim & Alex won their match against Anna & Mr Celosse, although the staff team rallied to 5-7 after losing the first 4 holes. Mr Clarke & Mr Myers sank Mirek & Chris 11-1. Team Cinolter Snrs beat Michael & Vojta 8-3. The final result was a resounding 24-11 win for the staff. That aside it great fun was had by all, 5200Kč was raised for Tanzania and the whole event was organised with aplomb by Seb, Milos & Nikol.
