Online Safety 4 Schools

**Online Safety is Predominantly about Behaving Appropriately**

**Advice to Children & Young Adults**

Treat People as you would  
want to be treated

Online Safety isn't just about  
'Stranger Danger' be aware of  
Student-on-Student Abuse and  
support each other

Have a Healthy Relationship  
with Technology

Be Proud of your 'Online Brand'  
– be ready for the Selection  
Process and 'Cyber Vetting' by  
Universities & future Employers.

ONLY USE GPS / LOCATION  
ON – WHEN REQUIRED

Never agree to, or schedule  
offline meeting with "online  
only" friends

DON'T STREAM MOVIES  
FROM UNKNOWN WEBSITES

ALWAYS Tell you're a trusted  
adult if anyone tries or asks to  
meet with you offline

Tiredness Creates Mistakes –  
'Take Regular Breaks'

Bullying Is Not Banter – Step Out  
of Closed Groups & 'Tell'

**Online Contacts are  
Not Contacts – Online  
Friends are Not  
Friends**

**'True Friends  
Don't Ask  
Personal**
