Online Safety 4 Schools

Online Safety 4 Schools

Online Safety is Predominantly about Behaving Appropriately

Quick Tips for Senior Students

Student on Student Abuse – Pupil on Pupil Abuse – ACTION – Report & Support

Don't become an unintentional victim through GPS & Viruses, so **Always Disable GPS (Location) When at Home**, and don't search for films in google or stream from **file** sharing system.

Live Streaming – Be Aware of your Content & Conduct & Software that allows viewers to record & publish.

Live Streaming – Don't post or agree with anything that maybe offensive or inappropriate

Incorporate the **' 5 Point Plan'** to **create an Online Digital Tattoo – Online Digital Brand to be proud of**, be prepared for Cyber Vetting through scrutinising of Social Media by Universities & Future Employers.

Take Regular Breaks from Internet Usage to prevent Poor Judgement.

Taking / Posting / Sharing **Inappropriate Selfies can be avoided by asking for a second opinion**, (You won't know if an image is inappropriate unless you ask someone else)

Five Point Plan

➢ **Blogging (No Age)** (Personal Interests – EPQ or Extended Essay) – Jointly with Trusted Adults

➢ **Twitter (13)** – Follow Universities / Departments & Future Employers

➢ **Linked In (14)** - Follow Universities / Departments & Future Employers

➢ **Website** – Create a Website to control & publicise Creativity and Interests

➢ **Clean Digital Tattoo** & Proactivity Use Search Engines, & Seek 2nd Opinion from Trusted Friends & Adults
